Ethical evaluation of research project

Dear Marte,

Your application concerning your research project "*BRIEF A Psykometriske egenskaper. Forhold til humør og personlighet*" has been evaluated and approved by the Department of Psychology's internal research ethics committee (IPS-REC) based on the received information. Our approval is conditional on the approval by Sikt (previously the Norsk senter for forskningsdata, NSD).

on behalf of the Committee

Matthias Mittner
Chair of IPS-REC
